Re: Barber floor refinishing.

Dear Ben,

I wanted to write and thank you for the hardwood floor refinishing job you and your partner recently completed for me. The floors look beautiful and we are enjoying them very much. Your attention to detail, punctuality, respect for my home, and ability to complete the project on-time and on-budget are much appreciated. My experience with your brother Matt, of Voyageur Painting, was equally enjoyable. It is very refreshing to work with contractors who have your level of honesty and integrity! I will definitely be recommending your services to others.

Sincerely,

Chip Barber
