Re: Honsa Residence
Red Oak Hardwood Floors

Dear Jake:

My wife and I personally wanted to thank you for the installation of our new red oak hardwood floors. We have worked with numerous contractors through out the years and have never been really impressed by other contractor's professionalism or the quality of the work. My wife really appreciated Voyageur Flooring starting the job at the specified time and finishing the work on the agreed time schedule and taking the time to hang plastic to minimize the dust in the house when sanding the floor. Voyageur Flooring staff was very courteous to my wife and three boys. In addition, I know that young children curiosity can get in the way when anyone is working. However, I was most impressed by the quality of the new red oak hardwood floors. Once again, thank you for our new red oak hardwood floors and if you ever need a reference, please feel free to use my name

Sincerely,
